Church Educational System Honor Code Statement

The Church Educational System institutions exist to provide an education in an atmosphere consistent with the principles of The Church of Jesus Christ of Latter-day Saints. That atmosphere is created by a community of faculty, administration, staff, and students who voluntarily commit to conduct themselves with the principles of the gospel of Jesus Christ and who strive to maintain the highest standards of conduct regarding honor, integrity, morality, and consideration of others. By accepting appointment to employment, being admitted, or continuing class enrollment, each member of this community promises to observe these Honor Code standards approved by the Board of Trustees "at all times and in all places" (Mosiah 18:9):

- Be honest.
- Live a chaste and virtuous life, including abstaining from any sexual relations outside a marriage between a man and a woman.
- Respect others, including the avoidance of profane and vulgar language.
- Obey the law and all campus policies.
- Abstain from alcoholic beverages, tobacco, tea, coffee, vaping, and substance abuse.
- Participate regularly in Church services (required only of Church members).
- Observe the dress and grooming standards.
- Encourage others in their commitment to comply with the Honor Code.
